WE MAY NOT GO TO CUBA

Rumored Abandonment of the Plan Of Invasion.

SAMPSON ON THE EVE OF AN IMPORTANT MOVEMENT.

Tampa, May 3—Special—There are rumors of an entire change in the plan of the invasion into Cuba. The order issued at camp last night revoking the order to be in readiness to embark is said to be due to the Manila victory. There seems to be a feeling that Spain will back down and the Cuban invasion may be unnecessary.

A Movement Impending

Key West, May 3—Special—There is a feeling here today that some important and decisive movement of Sampson's fleet is pending. All day yesterday there was an unmistakable bustle on vessels in the harbor. Officers ashore do not conceal their elation over the prospects of breaking the blockade.

Defense of Seaports.

Washington, May 3—Special—Fearing an attack upon the seaports of the North Atlantic coast by the Spanish fleet now on its way to western waters, Secretary Alger has taken steps to further improve the coast defenses. There is excellent authority for the statement that the administration believes Spanish warships will bombard our coast cities in retaliation for the loss of the Philippines.

Gone to Bombard Havana.

Madrid, May 3—Special—Official dispatches from Havana say the entire American blockading squadron has steamed away. It is believed the vessels have gone in the direction of Havana.

Don't Want Intervention.

Madrid, May 3—Special—The naval authorities are credited with a resolution not to listen to suggestions of intervention on the part of foreign powers before a combined effort has been made in Cuban waters.

Madrid Is Quiet.

London, May 3—Special—Dispatches from Madrid report that the people there are quiet today. Troops patrol the streets, however, and disperse the crowds as fast as they gather.

Ordered to Sea.

Washington, May 3—Special—The Cruisers Yankee, Prairie, Yosemite and Dixie have been ordered to join the flagship San Francisco at Provincetown, Mass., without delay.

Another Capture.

Key West, May 3—Special—The gunboat Castine arrived here this morning with a Spanish fishing smack captured off the Cuban coast.

Troops For the Philippines.

Washington, May 3—Special—General Miles and Secretary Alger are preparing the necessary orders for the movement of troops to the Philippines should a military expedition be necessary.

No Cable Communication.

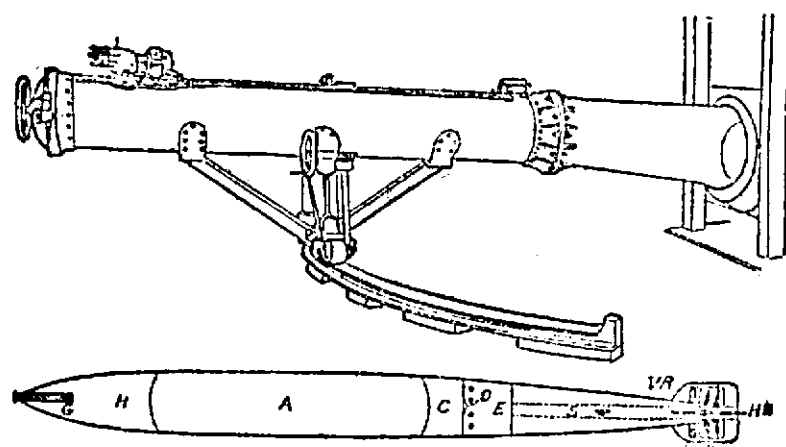

New York, May 3—Special—The Commercial Cable company was informed this morning that cable communication with Manila was still closed.

Will Fight to the Bitter End.

Madrid, May 3—Special—The Queen Regent has sent word to the Pope that Spain will pursue the war to the bitter end.

Will Crush Our Squadron.

London, May 3—Special—It is stated that the Spanish naval authorities have determined to avoid partial and isolated combats, but will unite their naval strength and crush the American squadron in Cuban waters.

TORPEDO AND TORPEDO LAUNCHING TUBE.

H—War head containing 220 pounds of wet gun cotton. G—Primer of dry gun cotton. A—Air flask. C—Immergence chamber. D—Hydrostatic piston. E—Engine room. F—Propeller shaft. G—Vertical rudders. H—Horizontal rudders.

The torpedo is built of steel in the shape of a porpoise, with a big double bladed tail. Ready for firing it weighs 1,160 pounds. Its length is about 16 feet 6 inches, its greatest diameter 17.7 inches. It is assembled in four sections—the head, air flask and immersion chamber, after body, and tail—all fitted together with sleeve joints. The walls are made of the finest forged steel to resist the enormous air pressure. Compressed air is the motive power. This is contained within the air flask, a hollow forged steel cylinder nearly half as long as the torpedo, and the pressure attained is 1,350 pounds to the square inch.

CASES CALLED IN CIRCUIT COURT

SUIT FOR COLLECTION OF A COMMISSION FEE.

F. A. Taylor Wants A. W. Stevens to Pay Up—Case Hinges Upon the Quality of the Machines Sold—Jury Trial Waived—Various Contentions Brought Up For Adjudication.

In the Rock county circuit court this morning the case of F. A. Taylor vs. W. Stevens occupied the attention of the court during the greater portion of the time. The following jury had the case in hand: John A. Yost, D. J. McLaughlin, John Flagler, Edwin F. Kelley, O. W. Shlamm, J. S. Hendon, A. E. Gould, W. H. Myers, E. N. Haugen, Peter Howland, John Hyland and W. B. Campbell.

The question at issue was over some \$800 commission the plaintiff claimed was due him by defendant for selling two corn husking and shredder machines in 1895. At that time Mr. Taylor was acting for the Chicago firm of A. W. Stevens, and as such he sold one machine to Michael Baber, of Fulton, and one to Jerome Terwilliger, of the town of Turtle, the commission on both machines amounting to just \$88.67, which with \$3.50 added for incidentals makes a total of \$92.17, which amount is now being contested.

Where the Contention Arose

Soon after the machines were delivered it is alleged by the purchasers they did not do the work as represented, which resulted in their being returned to Chicago.

The plaintiff claimed that with certain repairs the machines could be made to work in a satisfactory way. The company then refused to pay the full commission, and a law suit followed. In Justice Richardson's court the case was tried and the court found in favor of the plaintiff. The defendant then appealed to the circuit court. The defendant claims that under the contract the machines were fully settled for by the farmers, while the plaintiff claims that it was the fault of the A. W. Stevens company in not fulfilling the contract in making the machines right. Hon. John Winans and Attorney John Cunningham appeared in behalf of the plaintiff and A. A. Jackson for the defendant.

Miscellaneous Business.

A jury was waived in the case of Lawrence E. Cunningham vs. Woodman's Accident Association. Also in the case of the Merchants & Mechanics' Savings Bank vs. John C. Robertson.

The case of L. C. Brown vs. Sarah G. Randall et al., was continued for the term by consent.

A settlement was made in the case of Theo. L. Acheson vs. C. J. Jones. The venire for special petit jurors was duly returned into court, all jurors having been personally summoned except J. B. Kirkpatrick and James F. Whitehead, who have removed from the county. Jurors K. W. Hemle, William H. Tallman, Charles Atwood and John A. Love were excused for causes.

GIVEN FOR FAITHFUL SERVICE

Mrs. F. C. Brooks Receives a Handsome Medal From Her Employer.

Fifteen years ago the Janesville Clothing company was started by J. A. Cunningham. At that time Mrs. F. C. Brooks, of this city, was made fore lady, and this position she has ever since filled with credit both to herself and the company. In recognition of such valuable services the company today presented Mrs. Brooks with a gold medal which bore the following inscription: "Frances C. Brooks, from the Janesville Clothing company, 1883—May 3—1898. Fifteen years of faithful service."

SUPREME COURT REVERSES CITY SUIT

COLLINS DAMAGE CASE WILL BE TRIED AGAIN.

After Obtaining \$1,500 Damages Against the City of Janesville the Supreme Court Orders Suit Sent Back For a New Trial—Victory for the City.

The Supreme court has reversed the decision in the case of Ann Collins vs. the city of Janesville, and has ordered the case sent back to Rock county for a new trial. The plaintiff received a \$1,500 judgement against the city of Janesville in the Dane county court before Judge Slopecker in January, 1897. She sued for \$5,000 damages for injuries sustained by falling on a defective sidewalk at 8 o'clock in the evening of June 5, 1895, in front of the property owned by Wilbur F. Carle at 203 Cherry street.

The plaintiff has not as yet received a cent damages, and the same performance will have to be repeated in case the interested parties so decide. In his complaint the plaintiff alleges that she was deformed for life as the result of the accident, by the fracture of her left ankle and the bruising of the ligaments in her left leg.

The case was first taken up in the circuit court of Rock county, and an motion of the plaintiff a change of venue was taken to the Dane county circuit court.

Before Judge Slopecker a jury gave the plaintiff \$1,500 damages as well as assessing the costs of \$130 on the city of Janesville.

MILK IS GETTING CHEAPER

General Dealers Commenced Cutting Prices with the Advent of Grass.

Milk is being retailed in Janesville at prices ranging all the way from three to five cents a quart. The regular retail price has been five cents during the winter, but with the opening of spring, several of the dealers began to drop a cent. A week ago two of the peddlers notified several of their customers that now, as green pastures were at hand, they were able to retail at three cents and still make a profit. Other dealers heard of this three-cent drop and immediately began to look into the matter, with the result that they have fallen in line. Of the twenty local dealers but few are in agreement, and there is likely to be a merry time of it before a regular scale of prices is established.

GAVE IT A DECENT BURIAL

City Missionary Mary Kimball Secures Assistance for a Spring Kinsall Family.

There was a pitiful scene in a Spring Brook home Saturday afternoon. An infant child, dead two days, had not been prepared for burial on account of lack of means. Missionary Mary Kimball took the matter in hand.

"An undertaker gave me a little coffin," said she, "and I carried it in my arms from the end of the street car line to the house. I prepared the child for burial, put it in the coffin and borrowed a boy's express wagon. In that we placed the coffin and a boy and myself drove it to the street car. We took it in the street car to the cemetery, and I carried the coffin in my arms to the sexton's house. There were some questions asked about a burial permit, but that was settled, and business men along Milwaukee street gave me money to get the grave dug."

She Picks the Oldest.

An old lady in Mexico, whose age is said to be 115 years, was recently married to a man of 98. She had been married several times, and each time a husband has died she has picked out as his successor the oldest man in the neighborhood.

GUNS OPEN ON MANILA

Dewey Shells Chief Philippine City Today.

REPORT THAT THE STARS AND STRIPES FLOAT OVER IT.

New York, May 3—Special—A Wall street news agency sends out the following: "Manila has fallen. The stars and stripes wave over the Philippines."

London, May 3—Special—Late advices received at the Colonial office say that the native quarters of Manila have suffered from bombardment. They are now in flames. Occasionally a shell fell into the European quarters, where a few houses were struck. The citadel batteries are vigorously replying to the American fire, and have inflicted considerable damage.

Consider Occupation.

Washington, May 3—Special—The cabinet considered at its meeting today plans for sending troops to the Philippines for the purpose of assisting the American fleet in maintaining American supremacy during the war. The government will await official advices from Dewey before taking conclusive action in the matter.

Dewey Not Heard From.

Washington, May 3—Special—Up to 10 o'clock Secretary Long had not heard directly from Commodore Dewey. The secretary, however, momentarily expects an official report on the battle of Manila.

A Plot at Tampa.

Tampa, May 3—Special—Eight hundred kegs of powder in the local magazine were hastily removed last night. It is believed local Spaniards were engaged in a plot to blow up the magazines.

GADETS COMPETED FOR PRIZES

Interesting Contest Last Evening at Christ Church Parish House.

The prize competition of Christ Church Cadets at the parish house last evening attracted a large audience of interested friends of the school and the contestants as well as those who wished to enjoy a pleasant evening's entertainment. The rivals for delectable honors were Private Harry Kirkland, who gave an excellent recitation of "Spartacus the Gladiator," and Sergeant Frank Nelson, who recited with much spirit "The Man of the Masket," a selection with much of martial flavor. The essayists, three in number, had for their topic "Why Young men should not use Liquor, Tobacco or Profanity." The subject was well treated by Private Angello Shattuck, Sergeant Oasford and Private Klug. The entire company took part in the contest for the prize to the best drilled cadet.

The judges of excellence had no easy task, for the merits of the contestants were in many cases very evenly balanced. Dr. J. B. Whiting, Captain Pliny Norcross and Superintendent D. D. Mayo considered the merits of each carefully, and made the awards only after weighing the several points of excellence with discrimination.

The prize of \$2.00 for the best declamation was awarded to Private Harry Kirkland; \$3.00 for the best essay was awarded to Private Angello Shattuck, and \$2.00 for the best drilled member of the company went to Sergeant Ralph Inman.

Dr. J. B. Whiting presented the prizes in his usual felicitous manner, giving to each winner a few words of sage counsel. He complimented all of the participants for their proficiency, stating that the committee was of the opinion that each was deserving of substantial recognition, for all had acquitted themselves with great credit.

A pleasant social dance followed the award of prizes, and all present pronounced the evening's entertainment a most enjoyable one.

Washington, May 3—[Special]—It is reported that Sir Julian Pauncefote, British ambassador to the U. S., will soon retire from diplomatic service.

GIRLS HAD A JOLLY TIME

Those of the High School Indulged in Prize Athletic Contests Yesterday.

Yesterday afternoon the girls of the High school held an athletic meet in the gymnasium, and spent a couple of hours in athletic sports both profitably and agreeably. There were quite a number of contests, including a three-leap walk, a one-legged race, a three-legged race, a dash, a rolling race, a slow bicycle race, hop, skip and jump, running high jump, standing broad jump, standing high kick, and throwing the basket ball. Several of the participants were very evenly matched, and the contests were full of interest.

Some excellent records were made. The standing high kick was six feet four inches by a girl not over five feet three inches high, it being considered the most remarkable achievement of the afternoon. All the contestants kicked far above their heads. The standing broad jump was six feet two inches and the running high jump was three feet six and one-half inches. Miss Emma Paulson was official starter and time-keeper. Misses Mary Holt and Frances Davis were clerks of the course and Mrs. O. H. Brand and Miss Caroline Grover were judges of the finish and referees. Prizes were awarded to the winners in each event at the close of the meet and the field champion, who carried off three firsts and one second, was awarded a gold-lined silver cup.

All present were delighted with the afternoon's work, the program being conducted along rather novel lines, and it is not probable that this will be the last of similar events.

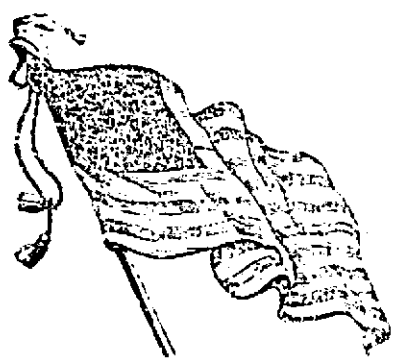

Of course if you can stand it to pay high shoe prices that is your own business, but common sense and a little trouble at any time will show you where you can make a great saving. Brown Bros. is the place.

WEATHER FORECAST

Chicago, April 30. —[Special.]—
Forecast for Wisconsin:
Showers tonight and Wednesday.

DEWEY'S GREAT VICTORY.

Commodore Dewey's signal victory at Manila demonstrates the skill and bravery of the American sailors. The American fleet was outnumbered. The Spaniards had sixteen vessels, while Commodore Dewey's fleet consisted of seven vessels of war, one transport and one collier. The American vessels were greatly superior to the Spanish boats in armor and armament, but seamanship was necessary to cope with numbers. The eight inch modern guns in the American boats did fearful execution, while the Spaniards' five inch breech loaders failed to prove effective.

It was a glorious victory and naval officers hold that it means an early termination of the war.

Madrid was greatly excited by the news, and it was feared that an uprising against the government was imminent.

WISCONSIN MINISTER IS IN DANGER.

Dispatches from Montevideo say the United States legation at that city has been placed under guard, as Minister William E. Finch, formerly editor of The La Crosse Republican and Leader, has received several threatening letters from people who sympathize with the Spaniards.

The Uruguayan newspapers are blaming the government for its action, due to its neutral attitude in the war between Spain and the United States, in prohibiting public performances and other steps to raise subscriptions here in behalf of the Spanish navy. Several pro-Spanish proclamations have been couched and a mass meeting of Spanish sympathizers, which was to have taken place at the Bolsh theater, has been prohibited.

TWO JANESVILLE SOLDIERS

The Milwaukee Sentinel combines clippings from The Gazette and the Madison Democrat under the head of "Two Types of Soldiers From Janesville" as follows:

Janesville (Gazette): People could but express admiration for Private Edwin Phillips, of the Janesville Light Infantry, as he stood on the rear platform of the special train that took the Janesville volunteers to Milwaukee. Recently, on his breast was the badge of the Grand Army of the Republic—the veteran of one war going to another—but not in gold braid and tinsel with a commission in his pocket, but as a private at \$13 a month.

Madison Democrat: "Regarding my service in the war," chirps Joe Doe, "I desire to say that I would accept a position in command of the Wisconsin brigade," but you won't. You couldn't be found when most needed—at least that was the case on a memorable occasion while you were adjutant general. The government has no use for men that can not be found when duty calls.

COMMODORE DEWEY.

Commodore Dewey, who won the first decisive victory of the war, is sixty-one years old. He graduated from the naval academy in 1858 and after a three years' cruise returned in time to join the Mississippi squadron eight days after the firing on Fort Sumter. He has plenty of service in the gulf and all up and down the Atlantic coast, serving finally as Lieutenant Commander on the Kearsarge.

LARGE HIGH SCHOOL GRADUATING CLASS

FOURTEEN BOYS AND THIRTY-ONE GIRLS.

Exercise Held Next Month At the Opera House—Class This Year Is a Large One—Juniors Will Present "Hamlet" and Alumni Will Give a Banquet.

A High school graduating class that the citizens of Janesville may well feel proud of will be given diplomas this year to the number of forty-five. During the past few days members of the class of '98 have been busy at their studies, and have had but little time for anything else. The class this year, is larger compared with that of last year, but is not as large as the class of '80.

The boys as usual are lacking in number, there being but fourteen in this year's class, while there are thirty-one girls.

The Exercises.

Commencement exercises, which will be held at the Myers Grand opera house in June, will be opened on Tuesday evening, June 7, by the celebration of the Semi-Centennial of the state of Wisconsin. Orations of a patriotic and historic nature have been prepared by members of the class, and nothing will be found lacking. On the following Wednesday and Thursday evenings the regular graduating exercises will be held at the opera house, for which theses and orations have been selected and prepared with great care. The presentations of diplomas will take place on Thursday evening, to be followed by the class song and class yell.

The Alumni.

The alumni association will tender the class of '98 a reception and banquet, on Friday evening of commencement week, according to the custom of past years. All arrangements and details were left with the president and the committee. A special effort will be made to induce all graduates of the high school who are in the city to join the association.

Members of the Junior class will present Shakespeare's immortal tragedy "Hamlet," for which they have been in hard training of late under the direction of Mrs. Janet B. Day.

The week promises to be a lively one, and members of the senior class are sparing no expense in making it one long to be remembered.

The following is a correct list of this year's graduating class:

Messrs—	Misses—
Mamie Blank,	Eva Crawford,
Elizabeth Keating,	Kitty Crowley,

HURT IN A PLANING MILL

George Jones Receives Painful Injuries at Jeffrie Mill Today.

George Jones, an employee in the Jeffrie Planing mill, had his arm caught in the machinery this afternoon and badly lacerated. Some of the muscles near the elbow were cut, but were sowed together by Dr. James Mills, who was called hurriedly. Dr. Mills states that the man's injuries will disable him for some time, but are not serious. With care he may recover the use of his arm to a great extent.

LOCAL DOCTORS TAKE PART.

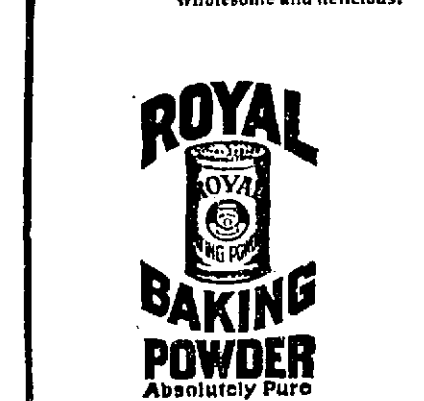

Will Read Papers at the State Medical Society's Meeting.

Three Janesville physicians will take part in the coming meeting of the Wisconsin State Medical society, which will be held in Milwaukee beginning tomorrow. Dr. J. P. Thorne will deal with "asthma," Dr. J. F. Pember will report a case of "Infantile scurvy," while Dr. James Mills will tell of "Brain fire."

The Wisconsin Medical Recorder, Janesville's growing medical publication, will have headquarters at the meeting in charge of W. E. Arnold.

We are often asked why we sell so many vehicles. The answer is easy. 1st. We buy good goods. 2d. We buy in large quantities and pay spot cash, thereby securing jobbers' prices, the benefit going to our customers. F. A. Taylor & Co.

D. N. HATFIELD brought to light a day or two ago a copy of the Cleveland World dated July 10, 1875, which tells of the famous balloon ascension made in Cleveland by Professor King. Mr. Hatfield was one of the six who accompanied Professor King, and the experiences of the party are very fully related.

At the regular meeting of the A. O. U. W. tonight, Tuesday evening, there will be the largest class initiated in the history of the lodge. At the close of the meeting there will be an old time love feast held at which every member belonging to Olive Branch Lodge No. 36 is requested to be present and renew old acquaintances.

Next Saturday the semi-annual meeting of the Rock County Teachers' Association will be held at Evansville. Discussions will take place, "Opening Exercises," "Science in the Grades," "Primary Language," "Graduating Exercises," "History," "Reading," "Libraries," and "Teachers' Institutes." President H. C. Buell, of Janesville, will deliver the opening address, while State Superintendent J. Q. Emery will speak at the close.

INSURANCE FOR OUR VOLUNTEERS

COMMISSIONER FRICKE PROPOSES A PLAN.

Department Will Interest Itself On Behalf of the Boys in Blue and Secure Pledges of Payment In Case of Death—The Governor Agrees.

Madison, Wis., May 3.—Insurance Commissioner Fricke has a plan for protecting the life insurance of the members of the Wisconsin National guard while they are under arms in the Spanish war.

Commissioner Fricke had a long conference with Gov. Scofield who will tomorrow issue an order at Camp Harvey putting it into effect.

The plan provides for the men to be canvassed and full information regarding their life insurance obtained. The information will then be placed on file in the insurance department, ready for use in case of the death of any of the soldiers. A blank was printed yesterday, ready to be filled out by each soldier in Camp Harvey. It calls for his name, residence, regiment, company, age, and whether or not insured. If insured, the soldier is required to give the names of the companies or associations he holds policies in, and the number of the policy. The names and addresses of beneficiaries are called for. At the bottom of the blank are questions asking where the policies are deposited, or in whose care they are placed, and what provisions have been made to have the premiums paid in the soldiers' absence. Other questions ask whether the policies contain a war clause, and whether extra premiums are required.

Commissioner Fricke believes that when this information is placed on file in his office he can do much to prevent the lapsing of the life insurance of the soldiers, and to protect the families of those who might be killed or die of disease from losing the insurance through ignorance of the proper steps to be taken to collect it.

STORY OF THE BATTLE.

Commodore Dewey's Big Guns Do Magnificent Work.

Manila, May 3.—The American fleet under Commodore Dewey anchored in the bay here at 5 o'clock Sunday morning at a distance from the Cavite forts. The latter, notwithstanding the long range, opened fire on the Americans and were supported by the Spanish warships, which were anchored under the forts. Commodore Dewey then ordered his squadron to close in and delivered an awful cannonade, using his guns of all caliber for thirty minutes. He then withdrew his vessels beyond the range of the smaller guns and poured shells from his big guns upon the Spaniards, inflicting hideous damage. This fire lasted for a little more than a quarter of an hour. The Spaniards, though greatly weakened, continued to reply. Commodore Dewey therefore closed in again and renewed a ceaseless cannonading.

After the fight had continued for an hour and a half the Spanish squadron was practically annihilated and all the forts were silenced. Three of the Spanish ships were on fire, one had sunk, and the others were riddled and helpless. The loss in men is not known, but it cannot be doubted that it was very heavy.

The resistance of the Spaniards was remarkably stubborn, but they were outmatched. Nevertheless they did not yield, nor did they strike a single flag. After the lapse of a few hours Commodore Dewey, who had withdrawn to the west side of the bay when the Spaniards ceased to reply to his fire, returned to Cavite. He was received with some shots from the land forts, whereupon he again opened on them with a furious torrent of projectiles. In a short time he had silenced them, apparently rendering them totally useless.

Then Commodore Dewey demanded the complete surrender of the city fortifications, munitions, and stores. The governor refused to surrender. When informed of the refusal Commodore Dewey notified the governor that he would give him twenty-four hours to clear out, after the expiration of which time he would bombard the city. This notice expired at 11:30 o'clock this morning. It has been impossible to learn the loss of the Americans, but their fleet appears as fit as ever.

The scene during the cannonade was terribly magnificent. The incessant roar of the heavy guns with the sharper report of the quick-firing weapons combined to make an overpowering, hellish din that was reached from all sides of the landlocked bay.

Not the least admirable feature of the exceedingly well-planned attack was the astonishing acquaintance the American navigating officers displayed with the waters of the bay. They never seemed to be in the least danger of running their vessels into the shallows, though maneuvering was constant and sometimes elaborate.

Battle Reveals Our Power.

Paris, May 3.—It is generally regarded here that the formidable power of the United States has been definitely revealed by the battle at Manila. It is recognized that Spain has suffered a real defeat, and that, however heroic and unflinching her army and navy may be, she is advancing toward fresh disasters. The desperate energy of her resistance cannot balance the inferiority of the means at her disposal.

Hans Tamb Lyche.

The sad tidings of the death of Hans Tamb Lyche reached here yesterday. His demise occurred on April 16. Mr. Lyche was formerly pastor of All Souls church during the years of 1884 and 1885. He married Miss Mary Godden of this city in 1885, and moved from here to the east, and held several pastorates. He afterwards moved to Christiania, Norway, where he has been the editor of a literary review. He was a fine linguist, and spoke several languages fluently. He leaves a wife and three children. Mr. Lyche was a native of Norway, and graduated at one of Norway's theological schools. He has written several books on Liberal government, of which he was a student, and were received in Norway with much favor.

Downey, of Milwaukee, is visiting with relatives. The Ladies' S. A. society are making elaborate arrangements for a May party to be given about the middle of the month. Previous parties given by them are a guarantee of a large crowd, and a "swell" time. The fishing in Gibbs' lake is reported fine this spring. Despite the cold weather, some of the cat fishes are already green, also garden vegetables. Mark Cheesbro, of Burr Oak, was a visitor on Sunday. D. E. McCarthy and family, of Janesville, were visitors at the parental home on Sunday here. Miss Lizette Freeman, has gone to Iowa to spend the summer. Ernest Starks, of Ulica, who was helper in Eagle creamery last summer, resumed his duties here again on Monday. His many friends are pleased to meet him. Mrs. O. Wheeler, of Iowa, is visiting relatives here. Arbor Day was observed in our several schools by appropriate exercises.

Dennis Glyn and family spent Sunday with his mother at Elm Grove. Mr. Johnson's and Mr. Holbrook's wagons both started on the road Monday morning. Will Harris drew lumber for a new barn last week. Mrs. Marcellus Tutshorn, of Whitewater, visited at Mr. Freeman's last week. Rev. G. R. Chambers, of Milton, will deliver his celebrated lecture on the explosion of the Maine and the Cuban war, at Lima Center next Friday evening. Illustrated with stereoscopic views, at the M. E. church. Admission 15 and 10 cents. Mr. Ezra Saxe and family went to Whitewater Monday to help celebrate the eighty-eighth birthday of his mother. Mrs. H. R. Stelson went to Hillsdale last Wednesday. Mrs. A. O. Hall, of Whitewater, spent most of last night with her sister, Mrs. A. Gould. Miss Toney Hall, of Milton, visited relatives in this place last week. Edna Richmond commenced school at Heart Prairie Monday. Mr. Anderson, of Turtle Lake, spent Sunday with his daughter, Mrs. Reese, and Harry returned with him. Mr. Holbrook and family took in "Uncle Tom's Cabin" at Whitewater last Friday night. Mr. McComb and family Sundayed with her parents, Mr. and Mrs. Ruth Howard.

Emerald Grove

Emerald Grove, May 3.—The heavy fall of rain Sunday morning was just the thing for growing crops and meadows. Small grain is all sown, and considerable of the early sown is showing itself through the ground. C. D. Fitch is dressing up his residence with a fresh coat of paint. William Knlan's is doing the artistic work. John Thoma visited Waukesha last Saturday. While there he saw Dr. G. H. Harkness, formerly of this place. The following clipped from the Howard Independent will be of interest to many of our citizens: "On Tuesday Richard Jones who is in charge of M. Ottman's harness shop, delivered to C. E. Kirk's a fine harness to be driven on his bus team. The harness is a beauty, nickel trimmed, stylish and was entirely made in this shop. This shop is now doing twice the business, it ever has before, 18 sets of harness having already been sold this season and two more to be finished this week, while last year only 8 sets of harness had been sold at this time. Mr. Jones is making a great success of Mr. Ottman's business. The war now is eagerly sought for by the patrons of the postoffice here. Our butter factory paid 74c for first half of April milk. The Ladies' Auxiliary will hold its meeting at the old church on Thursday afternoon, May 5th. A full attendance is desired.

Hanover

Hanover, May 3.—Mrs. Frebelcorn, of Berlin, Wis., is the guest of her daughter, Mrs. Wesley Seidmore. The tobacco sorters are still busy at the Hanover warehouse. Another change in the operators at the O. & N. W. depot. Mr. Noonan left for Belvidere Wednesday, and his place was taken by Mr. Wuchlaster, he being the sixth operator in as many weeks. Miss Lena Tuckfield leaves for Wyoming next week on a visit to her brother. She expects to stay all summer. The passing through of the regulars and militia has created considerable excitement in our town. Arbor day will be observed in the village school today. The usual exercises, speaking, singing and planting trees will be the program. The team of Julius Linbert ran away yesterday, throwing Mr. Linbert out of the wagon and injuring him quite severely.

Barker's Corners

Barker's Corners, May 3.—Miss Edith L. Palmer will give an entertainment at the Orange hall in this place Friday evening May 6. Music will be furnished by the Whitewater Male quartette. Mr. Phil Trautman, soloist. Everybody invited to come. Admission 10 and 15 cents. Program to begin at 8 o'clock. The young people's society has changed their hour of meeting to 8 o'clock. Saturday eve. Miss Alice Wright is sewing at Janesville this week. There will be a social at the church on Saturday evening, May 7. Frank Walker comes out with a new wagon bought of S. Wileman, of Edgerton.

Rock River

Rock River, May 3.—Mrs. T. Rogers is spending the week with her parents, Erwin Loofboro, of Milton, and Tommie Lowe, of Milton Junction, attending church here last Sabbath. Mrs. George Hall and children spent Friday and Saturday with her parents at Cambridge. Mrs. W. Rose is still quite sick. Mrs. John Green spent Wednesday with relatives here. Anson Rose called on relatives here Sunday.

WHAT IS YOUR TRADE?

Each Trade or Occupation Has Its Special Disease.

It is well known among medical men that certain diseases are more readily developed in certain occupations than in others. That each occupation has its attendant physical weakness. Engineers, railroad men and similar occupations suffer mostly from kidney troubles, and men who are often exposed to the weather suffer from rheumatism, while clerks and professional men, in fact, the army of people whose business keeps them indoors, are oftentimes great sufferers from piles and constipation. In this connection the following letter is of interest to people whose occupation will not allow sufficient outdoor exercise.

Mr. A. F. Calhoun, notary public and jeweler and watchmaker, of Circleville, W. Va., writes as follows: "I had been a severe sufferer from piles for years and had tried many remedies with but little benefit, when about three years ago I saw the Pyramid Pile Cure advertised and sent for it."

"I was badly afflicted when I got it, but after only two applications the piles disappeared and from that day to this I have never felt a symptom of the disease."

"I feel that I cannot recommend it too highly to sufferers from piles."

"The Pyramid Pile Cure is free from cocaine, opium or any mineral poison, absolutely safe, pleasant and painless; sold by druggists at 40 cents per package. If there is any constipation the Pyramid Pill should be used with the pile cure. The pills are 25 cents per package."

Any druggist will tell you that the Pyramid is the best known and most successful and popular pile cure ever placed on the market and its reputation as a safe and radical cure has only resulted from the personal recommendation of people who have been cured of this distressing ailment."

Send to Pyramid Co., Marshall, Mich., for valuable little book on cause and cure of piles."

Mounted Riflemen for Cuba. Washington, May 3.—It has been decided to allow the mounted riflemen being organized by Col. Leonard Wood and Lieut.-Col. Roosevelt to go to Cuba as soon as the organization is completed. The command will go independent and will not depend upon other military movements. The plan is to enter Cuba, make connections with Gen. Gomez and begin active operations without delay.

L. F. Farley conducts a large mercantile business at Liberty Hill, Ga. He says: "One application of Chamberlain's Pain Balm relieved me of a severe pain in my back. I think it O. K." For lumbago, rheumatism, neuralgia, swellings, sprains, bruises, burns and scalds no other liniment can approach Chamberlain's Pain Balm. It is intended especially for these diseases and is famous for its cures. For sale by People's Drug Co., corner Main and Milwaukee streets.

No Protest from Germany.

Berlin, May 3.—The German government has not notified the government at Washington that it "would not tolerate the bombardment of Manila," as Madrid has reported. It has sent no protest or anything of the kind. The foreign office has merely pointed out in the friendliest manner that larger foreign, and especially German, interests are at stake than Spanish, and that these interests would suffer by bombardment.

"I would not be without Chamberlain's Remedy for its weight in gold," writes D. J. Jones, of Holind, Va. "My wife was troubled with a cough for nearly two years. I tried various patent medicines, besides numerous prescriptions from physicians, all of which did no good. I was at last persuaded to try a bottle of Chamberlain's Cough Remedy, which promptly relieved the cough. The second bottle effected a complete cure." The 25 and 50 cent bottles are for sale by People's Drug Co., corner Main and Milwaukee streets.

Hard Drill at Chickamauga Park. Chattanooga, Tenn., May 3.—Comparative quiet continues with the army in Chickamauga park. No new orders of importance have been received and nothing which indicates an immediate removal can be noticed. Hard drilling and the work of thoroughly organizing the various regiments and divisions goes steadily on.

Do You Play GOLF?

Whether you do or not here is a Golf boot that is the article only accepted on the market for this purpose. It is made with a light tan upper welt stayed and protected, containing all the essential points pertaining to comfort and durability. Its foot fitting qualities make it especially desirable for any kind of an outing shoe.

HANAN SHOES

Are all we expected of them. The \$5 worth of shoe leather ever brought into the city. Hanan fit, style, foot shape, etc., are particularly original and though copied after by others are exclusive—the best is by long odds a Hanan. Our Our Regent Line of Men's Fine Shoes at \$3.50 have all the style of the higher grade shoes, the same fitting qualities, and compare with anything sold up to \$5 in the city. As evidence of their worth we guarantee every pair.
